THE TRU PEARL PRODUCTS HAVE BEEN FORMULATED TO WORK TOGETHER FOR OPTIMUM RESULTS

TRU PEARL CLEAN (TRU100)

Tru Pearl Clean is an advanced cleaner that penetrates surface pores and imperfections to remove deep seated road grime, dirt and soils. Tru Pearl Clean leaves a pristine surface that will optimize the performance of Tru Pearl Shield and Tru Pearl Dry.

TRU PEARL SHIELD (TRU300)

Tru Pearl Shield is an all-surface protectant that will protect your vehicle from the elements and leave the car with a showroom shine. Tru Pearl Shield gives your car surface a smooth, new car feel.

TRU PEARL DRY (TRU200)

Tru Pearl Dry enhances drying and creates an extremely water repellent layer. This layer makes it more difficult for post wash road grime and dirt to penetrate the surface.
