Ear Community Microtia & Atresia Picnic

Please join us at our Ear Community Microtia & Atresia summer family picnic in Idaho Falls, Idaho! Since 2011, the Ear Community Organization has been bringing Microtia & Atresia families together & we are excited to see everyone this summer in Idaho! This picnic event is FREE to Microtia & Atresia families! A special thank you to our Ear Community Sponsors for making our special day possible! Lunch will be provided along with lots of fun entertainment for the kids. Our picnic offers an opportunity to come together and share experiences, watch the kids play and maybe even make a new friend. Come learn about the latest in bone conduction systems and how they can help restore hearing loss, helping you live a better quality of life.
